PROFESSIONAL EXPERIENCE

Employer Branding & Talent Experience
Sep 2022 - Present

Snapp Group | Tehran, Iran

Career progression: Employer Branding Intern -> Employer Branding Specialist -> Employer Branding & Talent Experience Sr Specialist

- Led the development and refinement of a group-wide Employer Value Proposition across multiple ventures, covering survey design, insight analysis, messaging, content development and campaign launch.
- Designed and developed career pages for 12 ventures under a unified EVP while preserving distinct brand identities; partnered directly with CEOs and HR Heads to translate each culture and value proposition into candidate-facing content.
- Managed LinkedIn employer-brand content strategy, setting quarterly goals for activity, engagement and follower growth and delivering a 33% increase in engagement in Q4 2025 and more that 25% increase in Followers in one month by implementing Targeted campaigns .
- Designed strategic employer branding and early-talent campaigns through university courses, partnerships, sponsorships and keynote initiatives, strengthening talent pipelines for priority roles.
- Represented Snapp Group at major career fairs and recruitment events, increasing employer visibility and contributing to an improvement in employer ranking from #5 to #2.
- Managed project budgets and delivered employer branding and people experience initiatives under cost-cutting constraints, prioritizing resources while protecting project quality and impact.
- Planned and delivered employee engagement and recognition initiatives, including New Year, Yalda Night and functional appreciation events for HR, Finance, PR, HSE and Legal teams.
- Collaborated across HR, business leadership and brand stakeholders to align employer communications with organizational priorities, employee experience and talent attraction needs.

Content Specialist
Oct 2020 - Oct 2021

Freelance / Self-employed | Remote

- Created audience-focused content for digital channels, translating business objectives into clear and engaging narratives.
- Managed independent assignments from briefing and ideation through content development and delivery.
